

OFFER TO BUILDERS

We offer safety boots and some other stuff for your group following terms.

SIEVI Peter XL S2

Boots made of durable and water-resistant PU-coated leather. Warm fleece lining. Steel toecaps protect toes from compression and impact hazards. The slip-resistant and flexible polyurethane sole is resistant to oil and a number of chemicals. The wide XL fit gives toes plenty of room. ESD-approved. **SIZE 39-47**

Price 93€ including tax 24%

Sievi Hurricane XL+S3

Your feet will never be cold again in these boots. Thinsulate lining and a felt insole with aluminium layer guarantee an excellent thermal insulation. Toecaps made of composite are lightweight and insulate warmth. Penetration-resistant steel midsoles provide the best protection against sharp objects. The flexible PU sole is slip-resistant even in sub-zero temperatures. Reflectors on the boots ensure your visibility even in the dark.

PRICE 157€ including tax 24%
